FREQUENTLY ASKED QUESTIONS & ANSWERS

HOW DO I GET STARTED?

Let's have a chat and see if 127 is the right fit for you.

WHAT TECHNOLOGIES CAN 127 HELP ME ASSESS, UNDERSTAND, AND ENGAGE?

Electric vehicle charging, small and large wind, Solar photovoltaics, solar hot water, digesters, battery energy storage, renewable energy certificates, forest carbon offsets, etc.

IF WE WANT SOMETHING MORE INFORMAL WITH A PERIODIC CHAT, IS THAT POSSIBLE?

Once we do intake with a potential customer, you can engage us as little or as much as you like. We only ask that we are given a little time and a little bit of prep material before we talk.

WHAT GEOGRAPHIES DO YOU SERVE?

Our greatest strength is in the North American and Caribbean markets. We can go well beyond that, but it just takes a little time associated with local regulations and rules. The technologies and financial mechanisms are the same.

WHO IS ON THE TEAM?

127 Energy and former members of TJX, General Mills, and Staples, as well as unique engineers from islands to small towns with unique industry characteristics.

WHAT FINANCIAL MECHANISMS CAN 127 IDENTIFY/ASSESS?

Direct purchase, lease, power purchase agreement, virtual power purchase agreement, etc.

HOW DOES 127 GET PAID?

Quite frankly, we are flexible and it depends on the assignment. In the past, we have done multi-million dollar consulting engagements over years, and from time to time the amount of time and effort is so modest that we will only request a bottle of wine.

CAN YOU BE OUR OUTSOURCED PARTNER TO COMPLETE A PROJECT?

Yes, 127 will handle all aspects of project management
